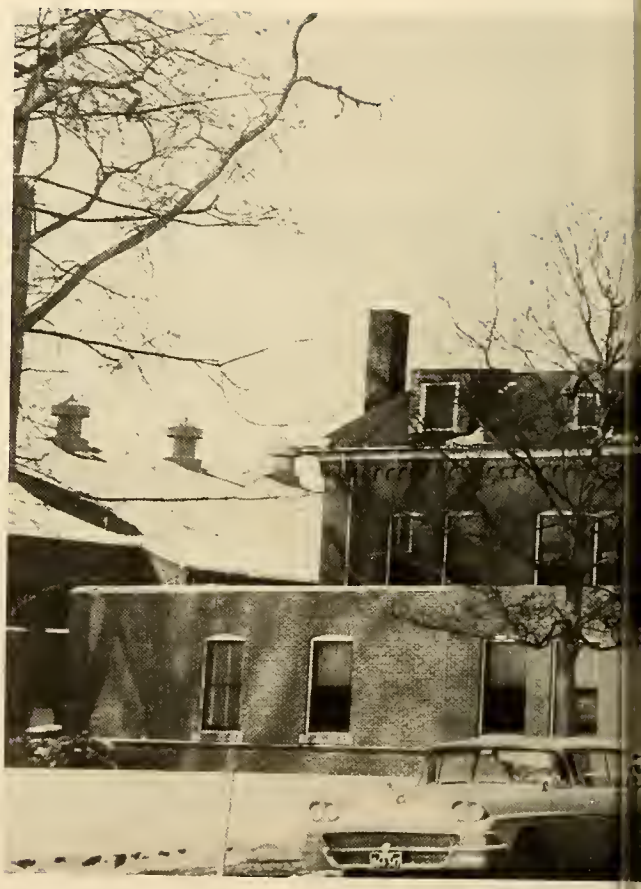
TABLE OF CONTENTS

150



We the seniors of 1966 have chosen the Sesquicentennial of Southbridge to be the theme of our yearbook. A striking parallel lies between this community's jubilee and the climax of our years at Southbridge High. Each event provides an opportunity for recollection of, reflection on, and rededication toward attaining our goals in a bright and shining future.

DEDICATION

TO SOUTHBRIDGE

We, the Class of 1966, dedicate this book of cherished memories to our home town of Southbridge as a tribute to its 150th anniversary.

As each of us goes his separate way, faces may be forgotten and memories may slip away, but nothing can erase the loyalty we hold for our home town.

Looking upon our graduation day, we feel honored and privileged, a feeling surpassed only by the honor and privilege of being a part of the growing Southbridge community.

The Class of 1966 wishes the town of Southbridge a joyous celebration on this, the sesquicentennial anniversary of its founding.

We are very glad that JOHN PALMER joined us last fall, just in time to help us through our senior year.

THECLA FITZGERALD'S talent as a teacher is well known. Her willingness to help has become a legend.

JANET BAKER, with her sunny smile, h brought vitality to her English classes.

JOHN WELDON has instilled in us a greater comprehension of analytical reading. We will never forget his English classes.

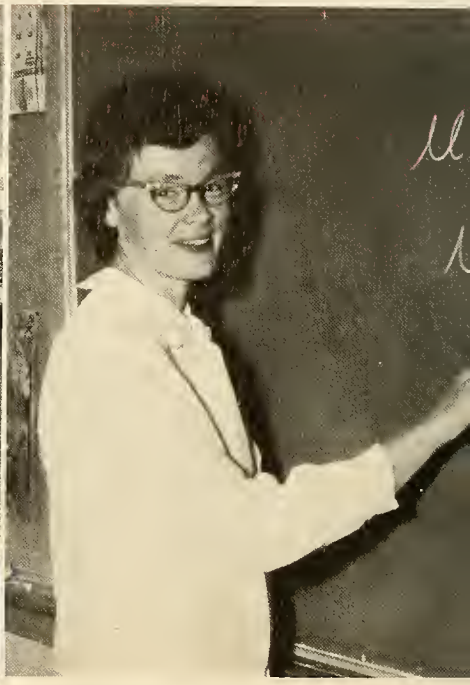
A new face this year is that of ROGER GIROUX, freshman football coach and capable English teacher.

As head of the Mathematics Department, JOSEPH JORDAN is always ready to assist his students and to pass on his vast mathematical knowledge.

NORMAN LEDUC has patiently led us along the difficult road of mathematics.

JOHN CONLON, as new advisor to the Student Council, has again proven himself to be the super-tycoon of S.H.S.

ROSE PROULX instills in her students a knowledge and love of the French language and people.



In MEREDITH SULD we have found not only an excellent teacher, but also an understanding friend.

SUSAN LITCHFIELD is without a doubt a better *magister* than the Roman Empire ever produced.

Because of JAMES LaPIETRA'S charm and wit, many of us have found Spanish a far more interesting language.

JAMES FORKEY, a gifted teacher, encourages thought. His curiosity about the world around us is truly contagious.

ROLAND VARIN, through his social studies courses, has awakened our interest in the world around us.

World history is more interesting than it ever was before. We have WALTER GOSK with his great ambition and personality to thank for this.

PAUL STURGIS' coming has greatly enhanced the quality of our Science and Social Studies Departments.

ROBERT YOUNG has helped us to better understand the complex fields of chemistry and physics.

The explanation of life is complex; the ability to make friends is a challenge. EUGENE TALBOT has found the key to both.

JUDITH TRUDELL has taught us the fascination and importance of science.

WILLIAM NICKERSON has more than proven his ability to make his classes interesting and stimulating.

As head of the Commercial Department, PERSIS HOWE unravels the complexities of business practices.

CONSTANCE CODERRE is a teacher dedicated to preparing her students for the business world.

Thanks to MELIA LeBOEUF, commercial students will be able to cope with many problems of the business world.

RALPH SENNOTT has been a tower of strength to faltering commercial students.

The art room, under the direction of CLAIRE BIRTZ, has always been a spot of beauty in our school.

Our new librarian this year, JEAN GREBB, is always ready to assist students seeking information.

Our future homemakers have been given a head start by BARBARA KYRIOS' classes in home economics.

For opening musical doorways and for giving us a true appreciation of the musical art, we are deeply indebted to ARNOLD REPPUCCI.

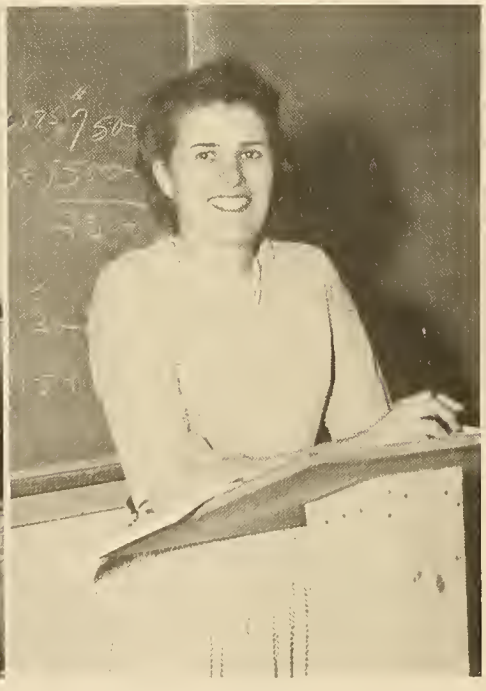
DONALD MARINO has taught our boys sportsmanship and teamwork and has shown them what the rewards are.

Although we see her only twice a week, pixie-like HELEN EMRICH has helped our girls to develop an appreciation of the value of physical education.



We appreciate CELESTA SULLIVAN'S efforts to build sturdy foundations for business careers.

"the great law of culture is: let each become all that he was created capable of being; expand, if possible, to his full growth, and show himself at length in his own shape and stature, be these what they may."

BON VOYAGE

PROM

The Junior Prom, honoring the senior class, was an occasion not soon to be forgotten. Entitled "Bon Voyage", the social gathering was dedicated to the mighty seniors of '65 as they took one long, last look at our hallowed halls.

The Prom Committee, led by chairman Bill Bastien, did their best to out-do all previous classes in decorations and scenery. The resulting beauty set the scene for an ocean-going vessel with a lighthouse and a city's skyline off in the distance.

Traditional dance music was replaced by popular tunes as many a stately gown participated in the hectic motions of the jerk and the frug.

The Queen, Patty Dubreuil, and her court reigned supreme over an evening of regal splendor.

SPECIAL

12-0

8-0

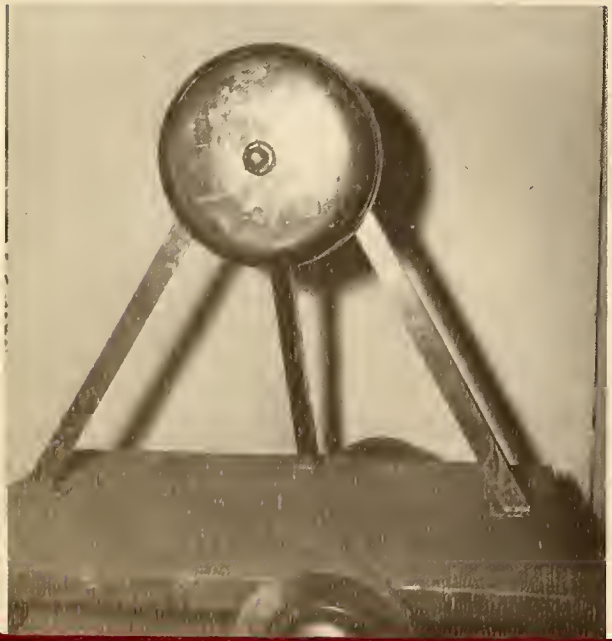
14-0

Robert Fantaroni, Rudy Sabatinelli, and Bill Brousseau, the tri-captains of 1965 were presented football awards.

The tophy was retired to our showcase after three hard fought victories.

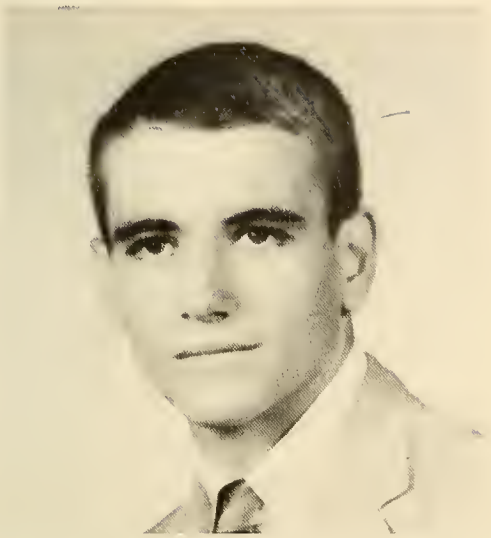
The 1965 Victory Dance will long be remembered by all who attended. The cheerleaders, who did a tremendous job cheering at the game in the morning, set the mood for the evening by gayly decorating the gym in red and white streamers. The victory bell rang loudly and clearly throughout the dance, announcing the Pioneer's victory over the Bartlett Indians by a score of 14-0 that Thanksgiving morning at Dresser St. Field.

The climax of the evening came with the election of John Lango and Cliff Szczypien as Co-Captains of next year's football team. Their capable leadership will insure another Thanksgiving victory next year.

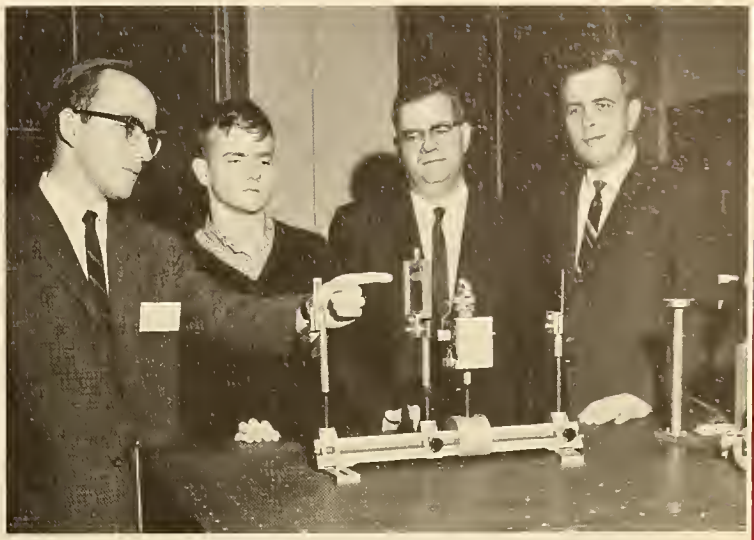


The bell is again ours to ring for future victories.

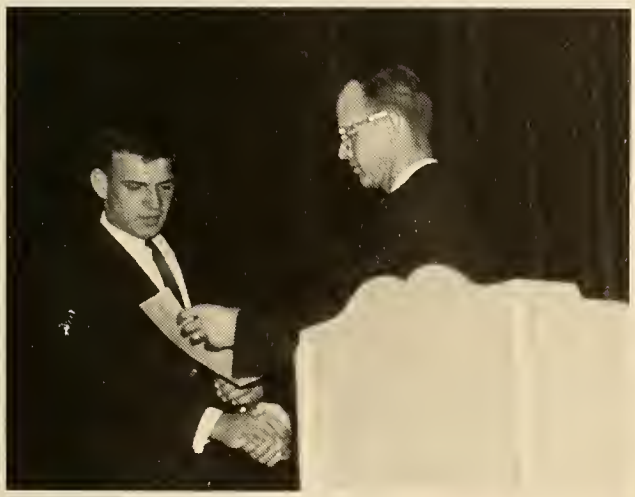
EVENTS



Paul Rapo represented our school in Boston on Student Government Day.

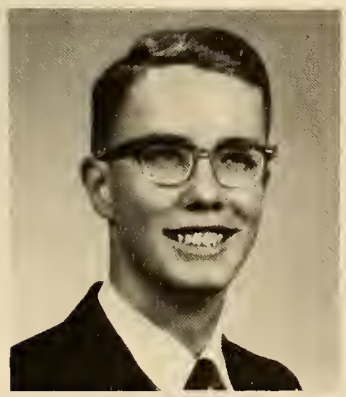


Mr. Young and Robert McMaster spent four days investigating the wonders of science at the Bell Telephone Laboratories.



Ronald Ohop won a national award for his welding ability.

Tri-Area Basketball Tournament held at Southbridge High School was won by Oxford.



James Kavanagh received national recognition as a finalist in the National Merit Scholarship Test.

Thomas Christo represented our school in the American Legion Oratorical Contest.

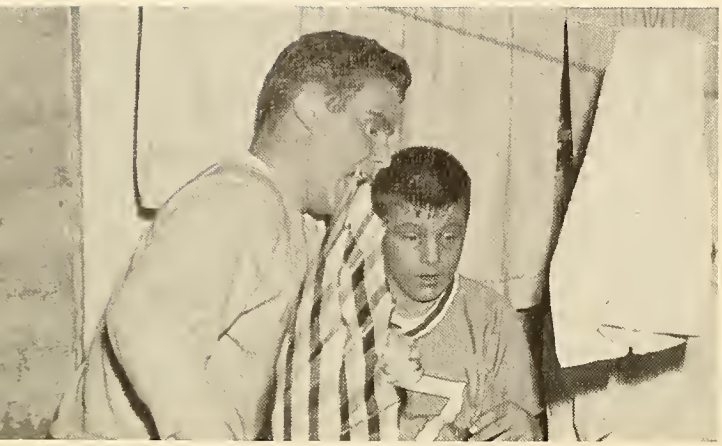
A glimpse of Broadway graced our stage as the senior class played a two night stand with the comedy *Lo and Behold*.

When Mr. Weldon finished the casting, Pat Lyons and Tom Christo found themselves with the lead parts supported by six other stage-struck actors and actresses ready to make their bids for stardom. Little did they know that before the play was over each would be the victim not only of the acting bug but also of the flu bug.

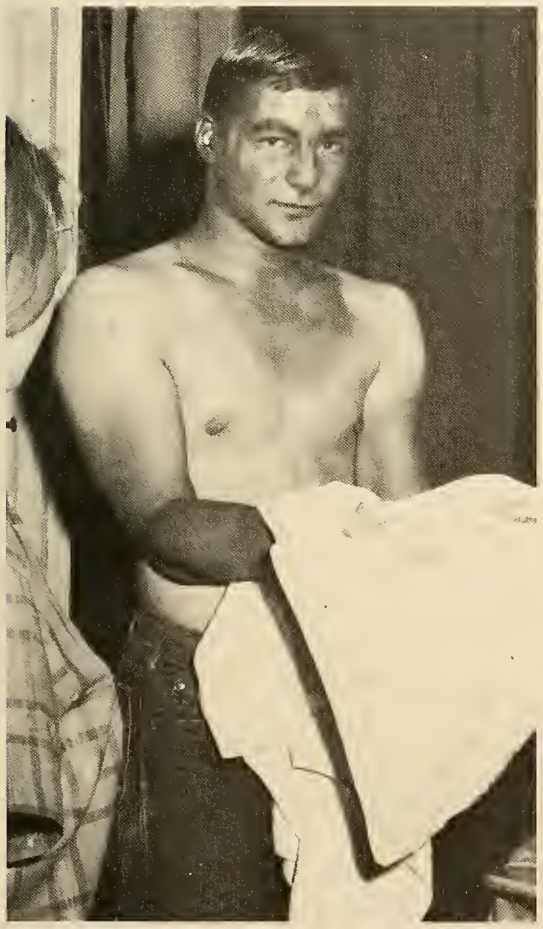
Nevertheless, true to the profession of acting, the show must go on. The curtains opened and the audience beheld a group of players so closely knit together that one would never know the barriers that were surmounted.

PLAY

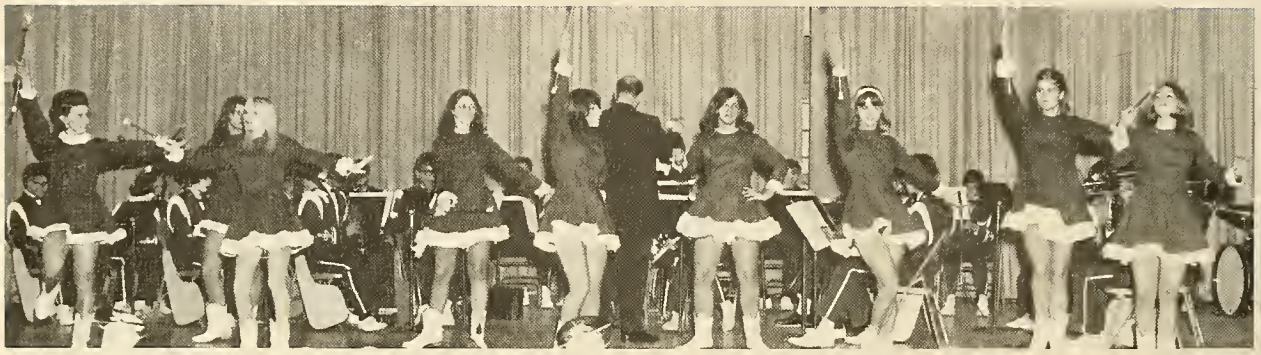
JUNIOR PLAY



Our class presented *The Egg and I* as its junior class play. The spontaneous reception given to the play by the public was a tribute to the superb directors, Mr. Britch and Miss Baker, as well as to the entire cast. For the first time in the history of Southbridge High School, the play was presented on two successive evenings. Our venture proved to be not only profitable to the class, but also rewarding and exciting to the cast in their first dramatic presentation to the public.



CHRISTMAS CONCERT



The joyful strains of our Music Department, heard in the Christmas Concert, marked the beginning of the Christmas vacation for all at Southbridge High.

The concert was an appropriate opening to the Christmas season for it created a mood of merriment brought to life by the vocal and instrumental talent of our student body.

The Modern Dance Group contributed to the concert's success by presenting the Nativity scene as the background to a vocal selection.

The spirit of Christmas prevailed throughout the concert and seemed to be absorbed by the audience who left feeling that they had been musically introduced into the Yuletide season.

TALENT SHOW

The theme of this year's talent show was the entertainment of two courageous astronauts as they traveled to the moon in their spacecraft, Fizzout I.

Before a capacity crowd, master of ceremonies, Tom Christo introduced astronauts Ronald Blais and Doug Monroe. From lift-off to recovery the spacemen and audience alike were treated to the talents of seventeen great acts.

Highlighting the show was the appearance of the popular combo Mickey and the Motions, the debut of a great jazz group Mogan David and the Grapes of Wrath, and stunning performances by soloists Ruth Petrelli, Janice Libera, and Ronald Blais.

Congratulations are in order for all who helped make this show such a success.

FRESHMAN

The senior class honored the largest freshman class in the history of Southbridge High School at the annual Freshman Reception. Standing in the reception line, waiting to introduce the freshmen to the faculty, the seniors recalled the day when they stood in the shoes of the lowly freshman. Highlighting the evening was the choosing of the tallest and shortest freshman girl and boy. Then, to the music of Mickey and the Motions, the tallest and the shortest freshmen danced with each other. The event was highly successful, providing an enjoyable evening for everyone in attendance.

Yes, I did get 24% fewer cavities with Crest.
